Prestwich Cricket Club wishes to encourage the development of girl cricketers and is happy for them to participate in boy's cricket. In order to encourage this, the club has developed this short set of guidelines, based around the ECB guidelines.

- The Club have a duty of care to all players and girls will only be allowed to participate if the responsible adults are satisfied they are competent to do so
- Suitable arrangements will be in place, particularly in relation to changing facilities and transportation arrangements, if applicable. The club will develop the arrangements as the need arises.
- In ECB national competitions the age group requirements apply to all players regardless of their sex
- In our local Leagues, and other competitions, the age group requirements apply to all players regardless of their sex
- For the sake of clarity it should be understood that boys cannot play in girls Leagues or competitions unless explicit provision for this is included in the rules of that League or competition. Boys cannot play in the ECB girl's competitions
